

# The Weekly Listen: Elon's Twitter plans, augmenting our reality, and connected fitness's future

Audio

On today's episode, we discuss Elon's pitch deck plans for Twitter, lululemon athletica betting on the future of connected fitness, how to best augment our reality, how fast online checkout

should be, what kind of power video podcasts hold, an unpopular opinion about 15-minute grocery delivery, and where Nobel prizes come from. Tune in to the discussion with our analysts Evelyn Mitchell, Blake Drosch, and Paul Verna.
