

The Weekly Listen: 'Top Gun: Maverick' helps theaters, air travel's recovery, and Amazon to overtake Walmart?

Audio

On today's episode, we discuss how much "Top Gun: Maverick" is helping movie theaters recover, why the number of American video game players is shrinking, the headwinds threatening air travel's recovery, how much money Spotify made from podcast ads, when Amazon may overtake Walmart as the largest retailer in the US, an unpopular opinion about the movie-viewing experience, how Bluetooth got its name, and more. Tune in to the discussion with our analysts Dave Frankland and Paul Verna and director of forecasting Oscar Orozco.
