

# The Weekly Listen: Google's ChatGPT rival, Instacart's shoppable TV QR codes, and is Twitter shedding users?

Audio

On today's episode, we discuss the significance of Google's ChatGPT rival Bard, whether Instacart's shoppable TV QR codes can be a hit, if Fanatics can crack the US livestream shopping code, whether Twitter allegedly shedding users is a short-term issue, where (and how) we listen to music, and more. Tune in to the discussion with our director of reports editing Rahul Chadha and analysts Blake Droesch and Evelyn Mitchell.
