

# The Daily: The bright spots of Amazon's business, returns convenience, and in-store holiday shopping

Audio

On today's episode, we discuss what to make of the apparent turnaround in Amazon's online store sales growth, why Amazon's ad business stands out, and what to expect from the ecommerce giant in Q4. "In Other News," we talk about the secret to returns convenience and how much people will be shopping in stores this holiday season. Tune in to the discussion with our analyst Andrew Lipsman.
