

The Weekly Listen: Tech giants pay for news, Maryland's digital ad tax, and consumers on privacy labels

Audio

On today's episode, we discuss Google and Facebook paying for news in Australia, what consumers think of Apple's privacy labels, the changing content moderation rules, Maryland's digital ad tax, how much time is spent with social, controlling someone else's dreams, and more. Tune in to listen to the discussion with eMarketer analyst Blake Drosch, principal analyst Jeremy Goldman, and senior analyst at Insider Intelligence Sara M. Watson.

US Social Media Users Who Regularly Get News from Social Media, by Platform, Sep 2020

% of respondents

Note: ages 18+; among users of each platform; read as 59% of Twitter users regularly get news from Twitter
