

The Weekly Listen: The Microsoft-OpenAI deal, Apple Maps vs. Google Maps, and is streaming turning into TV?

Audio

On today's episode, we discuss the significance of the recent deal between Microsoft and OpenAI, whether TV is changing streaming back into TV, if the esports bubble has officially burst, whether Apple Maps' upgrades can start chipping away at Google's search dominance, some interesting facts about monarchies around the world, and more. Tune in to the discussion with our director of reports editing Rahul Chadha, director of forecasting Oscar Orozco, and analyst Max Willens.
