

The Weekly Listen: Americans' price sensitivity, how Prime Day 2 went, and a physical Netflix store

Audio

On today's episode, we discuss whether Americans are becoming more price-sensitive, how Amazon's second Prime Day went, whether augmented reality is about more than having fun, what to expect from Netflix's "immersive" shopping experience, how delivery robots are kind of already here, an explanation of the holiday shopping trends we are paying the most attention to, where the song "Take Me Out to the Ball Game" came from, and more. Tune in to the discussion with our director of reports editing Rahul Chadha and analysts Blake Droesch and Suzy Davidkhanian.
