

The Daily: Snapchat's record slow revenue growth, BeReal's financial model, and a new app called Gas

Audio

On today's episode, we discuss why Snap saw record slow revenue growth in Q3, how it still managed to grow users by so much, and where the company goes from here. "In Other News," we talk about the concern over BeReal not having a financial model and what to make of a new social app that is ranked No. 1 in the app store ahead of BeReal and TikTok. Tune in to the discussion with our analyst Jasmine Enberg.
