

What features will propel Twitter, Instagram Kids halts, and Facebook's Apple headwinds

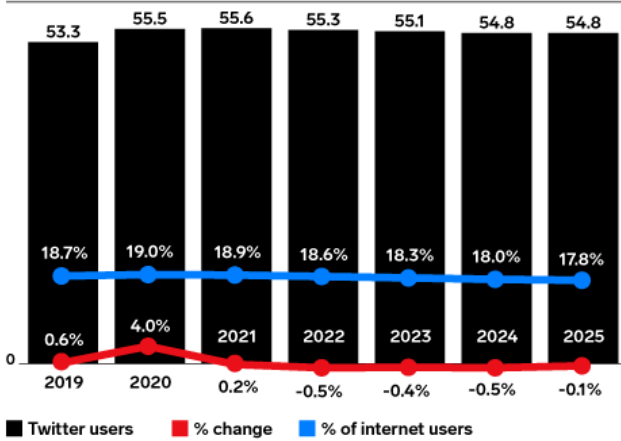

Audio

On today's episode, we discuss what to make of all of Twitter's new features, which ones will propel the social giant forward, and how Twitter might jumpstart its US user growth. We then

talk about Facebook suspending plans for an Instagram app for children, how much Apple's privacy changes have affected its business, and whether the social media titan is serious about getting into hardware. Tune in to the discussion with eMarketer senior analyst at Insider Intelligence Jasmine Enberg.

US Twitter Users, 2019-2025

millions, % change, and % of internet users

Note: internet users of all ages who access their Twitter account via any device at least once per month
