

The Weekly Listen: How to 'fix' Facebook, TikTok on TV, and Netflix Games

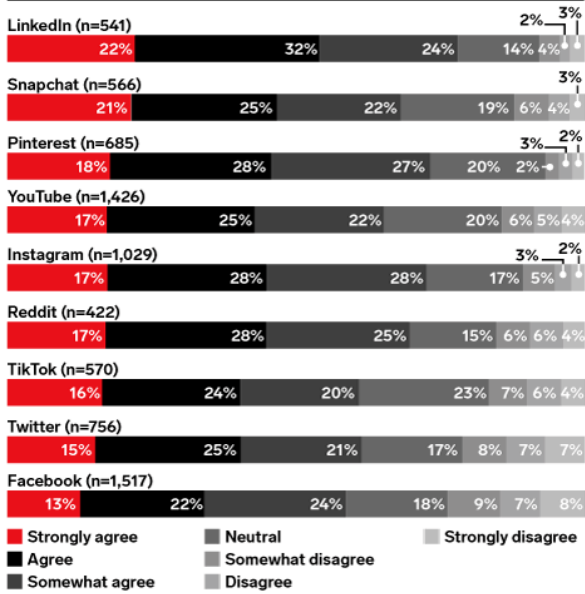

Audio

On today's episode, we discuss the most viable ways people want to "fix" Facebook, whether Netflix Games will move the needle, if TikTok on TV makes sense, whether Peloton's deceleration is concerning, how many kids under 13 years old actually use social media, the unspoken reasons employees don't want remote work to end, how much time people spend talking about themselves, and more. Tune in to the discussion with eMarketer principal analyst

Suzy Davidkhanian, director of reports editing Rahul Chadha, and analyst at Insider Intelligence Blake Drosch.

US Social Media Users Who Agree that They Feel Safe Participating/Posting* on Select Social Media Platforms, June 2021

% of respondents

Note: ages 18-75; among respondents who used each platform in the past 12 months; numbers may not add up to 100% due to rounding; *to read, write, watch, comment on or like posts

Rethink. Performance

It's time to stop thinking about brand & performance separately. With an hour between click & doorstep, the funnel has collapsed. You need to brand as you sell and sell as you brand.

Find out how with Tinuiti, the largest independent performance marketing firm across Streaming TV and the Triopoly of Google, Facebook, Amazon.
