

The Weekly Listen: Back to the 'office,' video safe havens, and Facebook speed dating

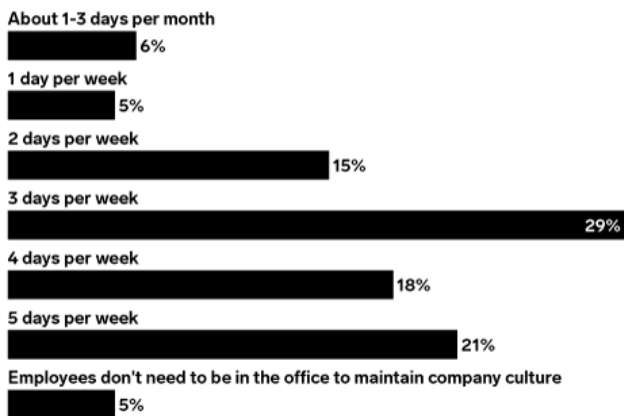

Audio

On today's episode, we discuss what "going back to the office" may actually mean, the dawn of "tiered-access journalism," video safe havens for brands, possible surges in travel plans,

Facebook's new video speed dating app called Sparked, why the Rubik's Cube was invented, and more. Tune in to listen to the discussion with eMarketer principal analysts Jillian Ryan and Jeremy Goldman, and analyst at Insider Intelligence Blake Droesch.
