

The Banking & Payments Show: What would a recession mean for credit cards?

Audio

On today's episode, we discuss the headwinds of economic uncertainty facing two constituents of the credit card ecosystem: issuers and merchant service providers. In our

“Headlines” segment, we focus on the tensions between merchants and card issuers/networks. In “Story by Numbers,” we break down the challenges the industry is currently facing. And in a new segment called “Pretend CEO,” our analyst David Morris gives his best guidance to credit card companies and merchant service providers on concrete steps to take during these uncertain times. Tune in to the discussion with host Rob Rubin and analyst David Morris.
