

The Daily: How many people own crypto, Meta's ad revenues, and can DoorDash keep growing?

Audio

On today's episode, we discuss how many people are cryptocurrency owners, which direct-to-consumer companies are leading the category, and what Meta's overall ad revenues total up to. "In Other News," we talk about the number of people who aren't using the internet and whether consumer enthusiasm for DoorDash will remain high. Tune in to the discussion with our analysts Whitney Birdsall and Nazmul Islam.
