

The Daily: The rise of telemental health, price shopping for healthcare, and health tech investments

Audio

On today's episode, we discuss why telemental health is taking off, the main players in the space, and what's going on with teleprescriptions. "In Other News," we talk about people's relationship with price shopping for healthcare services and why healthcare providers are continuing to invest in tech despite the tough macroeconomic conditions. Tune in to the discussion with our analysts Lisa Phillips and Rajiv Leventhal.
