

# Reimagining Retail: How to reduce friction at the point of sale and predictions for the future of retail payments

Audio

On today's podcast episode, in our "Retail Me This, Retail Me That" segment, we discuss the main friction points at the point of sale and potential sticking points to adopting easier payment systems. Then for "Red-Hot Retail," our analysts give us four spicy predictions about the future of retail payments. Join our analyst Sara Lebow as she hosts analysts Sky Canaves and David Morris.
