

How Children Are, and Aren't, Using the Internet

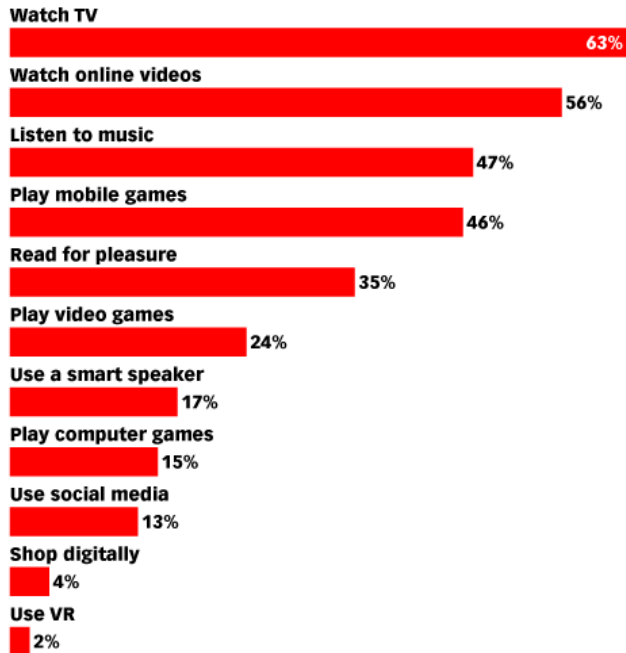

AUDIO |

eMarketer Editors

eMarketer principal analyst Mark Dolliver and vice president of research Jennifer Pearson discuss children's behavior online, the screen time stigma and YouTube child policy changes. Then, junior analyst Blake Driesch addresses questions about a TikTok sale, Facebook's stance on political ads and a new way to limit who can reply to your tweets.

Daily Media Activities Conducted by US Children, April 2019

% of respondents

Note: ages 8-12
