

# The Weekly Listen: Reading the economic tea leaves, a verdict on virtual events, and did Twitter's ad sales just tank?

Audio

On today's episode, we discuss what to make of the economy's mixed signals, how young people's time spent using social media is changing, the verdict on virtual events' place in our lives, what streaming TV price hikes really mean, how much of a hit Twitter has taken to its bottom line in recent months, a few fascinating recent breakthroughs in science, and more. Tune in to the discussion with our analysts Suzy Davidkhanian, Blake Droesch, and Paul Verna.
