

The Banking & Payments Show: Will rising interest rates sink fintech lenders?

Audio

On today's episode, we discuss the Fed raising interest rates and how that is impacting fintech lenders. In our "Headlines" segment, we discuss recent developments in fintech and buy now, pay later (BNPL). In "Story by Numbers," we select two numbers that tell a story about the challenges neobank lenders are facing and two numbers about their untapped opportunities. And in "Pretend CEO," host Rob Rubin challenges Ahon Sarkar, general manager of Helix by

Q2, to pretend he's the newly hired CEO of a monoline BNPL company. Tune in to the discussion with Rob Rubin and Ahon Sarkar.

The image is a podcast cover with a dark wood-grain background. In the top left corner is a red cup of coffee with a latte. In the bottom left corner is a smartphone displaying the podcast's title. In the bottom center are two small microphones. In the bottom right corner is a small potted plant with green leaves. On the far right edge, there is a vertical grey bar with three buttons labeled 'caps loc', 'shift', and 'fn'. The title 'BEHIND THE NUMBERS' is written in large, bold, white, sans-serif capital letters. Below it is a thick white horizontal line. Underneath the line, the words 'THE BANKING & PAYMENTS SHOW' are written in a smaller, white, serif font, with 'THE' on the left and 'SHOW' on the right. At the bottom, the logos for 'INSIDER INTELLIGENCE' and 'eMarketer' are displayed in white, separated by a vertical line.
