

The Weekly Listen: Amazon's NFL Debut, TikTok the search engine, and buying with emojis

Audio

On today's episode, we discuss how Amazon's Thursday Night Football debut went, whether TikTok might be the new search engine, if people want to buy things with emojis, how many

folks will sign up to Netflix with ads, how many ads are too many, an explanation of whether Apple is the dark horse of search, how much the world doesn't recycle, and more. Tune in to the discussion with our director of reports editing Rahul Chadha and analysts Ross Benes and Evelyn Mitchell.
