As they return to the roads, skies, and seas, many travelers are also revisiting how to get the most mileage out of their credit cards. According to our benchmark study, **Chase Sapphire Preferred** is the top-performing premium travel credit card in the US, while **Citi Premier** and

U.S. Bank Altitude Connect rank second and third. With prospective users craving security, rewards, and payment flexibility, travel credit card issuers must meet these needs, or risk their customers taking flight.

Most In-Demand US Premium Travel Credit Cards

benchmark score*

Note: performance is calculated based on a weighted scorecard; *scores were determined by tallying the number of features each credit card offered as of Sep 17, 2021, weighted by the value that US travel card users ascribed to each feature in an online survey conducted in Aug 2021
