

The Weekly Listen: Snap Sounds the Alarm, How Not to Greenwash, and Walmart Drones Fill the Skies

Audio

On today's episode, we discuss the severity of Snap's recent profit warning, how companies can show they actually care about the planet, how many of us are served the wrong ads, why L.L. Bean quit social media for a month, the significance of Walmart expanding its drone program, an unpopular opinion about ratings, some stats about how much weddings cost, and more. Tune in to the discussion with our analysts Blake Droesch, Dave Frankland, and Evelyn Mitchell.

Unlock the Power of TV for your Business

TV advertising is powerful but traditionally expensive and complex. That's why Marketing Architects created All-Inclusive TV. They invest their OWN money to produce, analyze, and optimize your campaign. All you pay for is media. It's so revolutionary, they wrote a book about it.
