

# The Daily: Did summer vacations revive travel, Apple accelerates digital ads, and Snapchat's plan

Audio

On today's episode, we discuss where the travel industry's recovery is at, whether the rebound will stretch past the summer, and the lasting changes to the ways folks travel for

business. "In Other News," we talk about what to make of Snapchat's new plan for growth and how Apple wants to expand its digital advertising business. Tune in to the discussion with our director of Briefings Jeremy Goldman.
