

The Banking & Payments Show: Are neobanks dead?

Audio

On this episode, we discuss neobanks' primary revenue streams, their sustainability, and insights from Insider Intelligence's "US Banking Digital Trust Benchmark 2022" report. In "Story by Numbers," we pick four numbers to tell the story of the growth and health of neobanks. And in "Inside Baseball," we run through which neobank players are heading to the

big leagues and which are destined for a life in the minors. Tune in to the discussion with host Rob Rubin and our analyst Tiffani Montez.
