

# The Daily: What happened to the metaverse's momentum, Decentraland's users, and Google's ambient aspirations

Audio

On today's episode, we discuss how Meta's metaverse plans are coming along, its new virtual reality headset, and how the company is moving forward with its metaverse ambitions. "In Other News," we talk about the controversy over Decentraland's user count and what Google's ambient aspirations are. Tune in to the discussion with our director of Briefings Jeremy Goldman and analyst Gadjó Sevilla.
